

LIMITED 2-YEAR WARRANTY

Arnott warrants its products against defects in materials or workmanship when used on private passenger cars and light trucks under normal operating conditions for **two (2) years from date of purchase, provided the original purchaser owns the vehicle on which parts were originally installed.**

TERMS & CONDITIONS

Arnott's obligation under these warranties is limited to replacement of the defective product with a comparable Arnott product in accordance with these warranties. **Cost of removal and installation are not included**, and any incidental and consequential damages are excluded under these warranties, regardless of when the failure occurs. These warranties have no cash value.

To make a claim under these warranties, return the defective product with the dated original receipt to the installer or retailer from whom it was purchased.

These warranties do not apply to: (i) normal wear and tear; (ii) products that are new or unused; (iii) damage caused by accident, abuse, misuse, water, flood, fire, rocks, salt, or other acts of nature or external causes; (iv) damage caused by improper installation.

Arnott will not accept any returns and is not responsible for any claims related to circumstances and products described in the preceding sentence. All warranties, express or implied, are disclaimed if not stated herein. Any implied warranties you may have under state law are limited to the same duration and other terms as this warranty to the extent permissible.
